

## Plan Benefits

### Safety

GoldStar annual service checks provide much needed adjustments, lubrication and testing of upward acting doors.

### Protects Your Investment

GoldStar is designed to provide you with low cost, planned maintenance to keep your doors running smoothly and safely while protecting your investment in this equipment.

### Fixes Maintenance Costs

Our rates are locked in for the duration of the agreement, assuring you of a fixed cost maintenance on your garage doors and awnings. Less than 25 cents a day will keep your garage door in tip top working order.

### Special Discounts

As an added incentive, GoldStar customers with 3-year agreements receive a 10% discount for unscheduled repairs or replacement equipment.

### Pay Upfront and Save

Prepay for a 3-year Goldstar Maintenance Program and save 5%.

## Annual Garage Door Maintenance Plan

*Make your garage door safer  
and last longer.*

## The garage door is the largest moving object in your home. Make sure it's working SAFELY!

### The GoldStar 20 Point Annual Service Plan

Lubricating and properly adjusting components of your door system helps extend the useful life of your equipment, helps keep your family safe from injury, and reduces the possibility of being stuck inside or out of your garage. The GoldStar service includes a 20 point inspection and maintenance of both the garage door and electric opener.
