

THE ROXBURY

CARRIAGE HOUSE DOOR

Give Your Home a Grand Entrance

The Roxbury Carriage House Door is architecturally pleasing and features the beauty of a deep embossed wood grain appearance and the durability of steel. With an R-Value of 13.45, the Roxbury is an investment in value as it is urethane insulated for maximum energy efficiency. Engineered for years of use, each door is made from galvanized steel, which won't rot, crack, or warp. The Roxbury is ideal in all climates, keeping garages cooler in summer and warmer in winter. See for yourself why the Roxbury Carriage House Door is an unmatched value for your home.

ROXBURY DETAILS

- Vinyl top cap provides thermal barrier and foam protector.
- Full thermal break on ALL sections insulates from extreme temperatures.
- Embossed galvanized steel skins assure protection from warping, rotting, and rusting.
- Attractive deep wood grain embossed steel is factory pre-finished and painted on both the exterior and interior with epoxy primer and polyester finish coat.
- Rigid vinyl end caps protect and seal the foam core and provide a smooth surface for door stops.
- Weather seals between each section joint keep out wind and rain.
- 1 3/8" polyurethane insulation is pressure injected and leaves no voids when bonding to both exterior and interior skins.
- Heavy 20-gauge galvanized back-up plates extending the full height of each section give superior hardware support.
- Flexible vinyl bottom astragal fits contour of floor providing a weather seal and is easily replaced if damaged.

DECORATIVE HARDWARE

- Built to resist the harshest weather
- Designed to look like hand forged iron
