

Limited Lifetime Warranty Legacy Garage Doors

Apple Door Systems shall warrant its Legacy garage door sections to be free from delamination or rust-through for so long as the original residential purchaser owns the building where the door sections are installed. In addition, Apple Door Systems warrants the urethane overlay for a period of 5 years against delamination from the steel. Painting the door or overlay with a paint that has a light reflective value of less than 35 voids this warranty. All other components are warranted to be free from defects in workmanship and material for a period of three (3) years from date of installation. Purchaser understands that Legacy garage doors are manufactured for Apple Door Systems by Haas Door Corporation of Wauseon, Ohio and that manufacturer's warranty shall support but not supersede the limited warranty stated herein.

This Limited Lifetime Warranty applies only to steel garage door sections manufactured for Apple Door Systems and components manufactured or supplied for Apple Door Systems. The warranty excludes: (1) Sections and/or component parts which have been damaged due to misuse; (2) Sections and/or components which have been improperly installed; (3) Sections and/or components that have been damaged due to accident; (4) Sections and/or components that have been damaged due to exposure to corrosive fumes/chemicals, alkaline cleaning agents, condensation or fire; (5) Performance of coatings used to finish the garage door sections; (6) Repair and/or replacement labor charges, including travel cost; (7) Damages resulting from other causes beyond the manufacturers control.

In the event any defect is claimed during the warranty periods, a claim in writing must be submitted to Apple Door Systems. This claim must be submitted within fifteen (15) days of the discovery of the suspected defect. The door and all components must be available for inspection by an authorized Apple Door Systems representative. Upon verification of a manufacturing defect, Apple Door Systems will provide repair or replacement part(s) at its option.

APPLE DOOR SYSTEMS SHALL NOT BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY BREACH OF THIS EXPRESS LIMITED WARRANTY, including but not limited to any damage to buildings, other property or for any injuries or damages sustained by any person whomsoever, or the recovery of any direct or indirect costs such as shipping, travel, lost time, installation labor charges, paint or painting, cleaning, repair, or other building materials.

This warranty gives you specific legal rights and you may also have other rights as provided by the state of Virginia. Apple Door Systems does not authorize anyone to change or modify the above warranties in any respect. **ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLICABLE TO LEGACY GARAGE DOORS IS LIMITED IN DURATION TO THE DURATION OF THE APPLE DOOR SYSTEMS WRITTEN WARRANTY SET FORTH ABOVE AND NEITHER APPLE DOOR SYSTEMS NOR ANY AUTHORIZED SELLING DEALER SHALL BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR OTHER CONSEQUENTIAL OR INCIDENTAL DAMAGES.**
